Cortland County

BROADBAND TESTIMONY TO THE NYS LEGISLATIVE COMMISSION ON RURAL RESOURCES

Jen Gregory, Executive Director of Southern Tier 8, was invited by Hal McCabe, Homer Village Mayor and Director of the Legislative Commission on Rural Resources and NYS Senator Rachel May to speak at a September 17, 2019 hearing in Albany on broadband needs in rural New York State. The testimony will help to lay the foundation for legislative initiatives.

ENERGY INFRASTRUCTURE ASSESSMENT: ADDRESSING ENERGY NEEDS

In response to the issue of "Interruptible Power", where industries, schools, and hospitals must switch to alternative energy sources at peak demand times in the winter, ST8 secured \$150,000 from ARC to contract with LaBella Associates to study alternative energy options for the eight-county region, which will include a list of priority projects per county.

REGIONAL OPPORTUNITY ZONES COLLABORATIVE PORTAL

Training for Economic Development teams establish web platform and promotion of program for 19 unique zones across the region. ST8 received \$65,000 from Appalachian Regional Commission.

MAPPING THE SOUTHERN TIER CLEAN ENERGY ECO-SYSTEM

New York State has prioritized the Southern Tier for Clean Energy investments, siting the 76 West Business Competition here. ST8 received \$65,000 from ARC to contract with Tier Energy Network to map the Clean Energy Eco-System.

SOUTHERN TIER 8

Southern Tier 8 Regional Board is the county's link to federal planning and economic development investments. We are a government agency offering shared services in grant writing and administration, geospatial and data analysis, and infrastructure solutions with consideration for our natural resources across the eight-county region of Broome, Chenango, Cortland, Delaware, Otsego, Schoharie, Tioga and Tompkins.
